This enables us to fully evaluate your present status and tailor care to your specific needs.
2. Unmarried patients under eighteen (18) years of age must be accompanied by a parent or legal guardian at the time of the initial consultation.
3. Please bring all pertinent medical information and a list of all your medications you are currently taking.
4. If your physician has advised that you must pre-medicate with antibiotics prior to dental treatment, pre-medication is required for the initial consultation. If you have been informed that you no longer need to pre-medicate, please bring a letter of release from your physician.
